

Dormitories for International Students at Bar Ilan University

On behalf of Bar-Ilan University, we are happy to welcome you.

The university campus, located in the center of Israel, is a green oasis just minutes away from the epicenter of one of the world’s most vibrant metropolises, Tel Aviv. Living on campus affords you a rich youthful social scene with strong ties to its surrounding communities.

Our comfortable, brand new dormitories at the heart of the campus will be opened for the first time to international students, providing you with a warm family atmosphere and convenient access to all academic services. It is prudent to remind you at this time that the university prides itself on its Jewish values and traditions. Therefore, we expect all campus residents to retain an air of tranquility on Friday nights and Saturdays, when some of your fellow students will be celebrating the Jewish Sabbath.

Should you be interested in dorming, please fill in the link for registration as soon as possible, as the number of rooms is limited and will be distributed on a “first come, first serve basis”. We will immediately pass on your information to the proper channels to secure a room until the lease is signed.

Since an external contractor, Electra, manages the dormitories, their name will appear on your rental contract. For your convenience, the contract will be written in English

We look forward to meeting you soon and enjoy the rest of the summer!
