

The Department of Physics  
and  
Bar - Ilan Institute of Nanotechnology & Advanced Materials

Invite you to a Lecture by

**Prof. W.E. Moerner**

**2014 Nobel Laureate in Chemistry**

Stanford University

On the topic of

**“The Promise and Challenges of 3D  
Super-Resolution Microscopy and  
Single-Molecule Tracking in Cells”**

The Lecture Will Take Place on:

**Sunday, 26.2.17, 11:00**

The Nanotechnology Triplex (206)  
Auditorium C-50
